V. Old Business

VI. New Business

A. Review 2012 Rochester-Olmsted Bicycle Master Plan

The group has planned a discussion around the existing bicycle master plan and what an update should include. The existing plan is located at the following site:

<https://www.co.olmsted.mn.us/planning/trnsprtng/bpac/bikemasterplan2011/Pages/default.aspx>

VII. Informational Items

A. *Made to Move Grant Program Application*

<https://www.bluezones.com/made-to-move/>

The #MadeToMove Grant Program from Unilever's Degree Deodorant and Blue Zones is a competitive funding opportunity to assist communities in advancing active transportation through local project development, implementation and supporting policies. With the ultimate goal of promoting more walkable, bikeable, transit-friendly environments for all ages, incomes and abilities, this **funding opportunity will be awarded to five mid-sized communities (100,000 - 300,000)** in the United States. Each winning community will receive \$100,000 total towards the grant: \$10,000 for planning efforts and \$90,000 for implementation, in addition to technical assistance from the Blue Zones Built Environment team. The awarded communities will receive program orientation, training, coaching and program building support from Dan Burden and Mark Fenton (among others), two of the nation's top specialists in helping communities become more livable, walkable and bicycle friendly.

B. *MN Dept. of Health Walkable Cities Workshop Application*

<https://www.health.state.mn.us/communities/physicalactivity/walkablemn.html>

The Minnesota Department of Health is currently accepting applications from communities interested in hosting a Walkable Community Workshop in fall 2019. These half-day workshops, facilitated by MDH, will bring together community members and those who have influence over community walking conditions. At this workshop, participants will strategize ways to improve walkability within their unique local context.

VIII. Future Discussion Items

A. *Active Transportation Chapter Review - ROCOG Long-Range Transportation Plan*
